

Green Sanctuary Committee Meeting

May 14, 2018

Present: Janet, Pat, Ginger

Absent: Debbie

1. Old Business Update

- a. Supplies on hand update - Janet did purchase liquid dish soap.
- b. New bathroom basket update – installed and working well.
- c. Wind Chimes – on hold at present.
- d. Little Free Library – No movement – Pat will follow up – still need roof shingles.

2. Other Business

- a. Solstice Initiative – David W. will make generic solar sign – Deb will check Status.
- b. Styrofoam recycling – Deb will post clarification.
- c. Possible initiative with East Bridgewater YMCA to decrease plastic bottle use – publicize hydration stations with signage and possible verbal reminders by class teachers. Tabled at present.
- d. UU Middleboro Climate Justice – perhaps we can look into partnering with them for specific project(s).
- e. Kids to Camp – Service very well received. Jamie thinks our current sub-total is \$991. Approximate amount due to church computer being hacked and Quick Books unable to be accessed.
- f. Metal Recycling – Disappointing turnout with only approximately 1/3 to 1/2 of roll off filled. Will consider skipping next year or two. Deb will report monetary donation when she receives.
- g. Bulletin Board – Discussed possibility of alternating responsibility for bi-monthly with other arm(s) of Social Justice Committee. Will speak with Betty regarding this.
- h. Faith Climate Action Week – Unable to participate.
- i. Auction item – Determined we will provide gift certificate to Freedom Food Farms and small basket of several herbs in little pots. Also determined this will be a raffle item rather than to be bid on.

3. Bridging Tip Schedule – by May 20, Pat; by June 20 (for summer issue), Ginger

4. Next meeting – Monday June 11, 2018 @ 1:00 pm at Janet's.
